## INTERAGENCY AGREEMENT

Agreement # RA0052

Between the  
National Transportation Safety Board  
and the  
U.S. Consumer Product Safety Commission  
for

Reimbursement for the National Transportation Safety Board's (NTSB's) portion of the FINANCIAL MANAGEMENT SYSTEM 3.0 Training.

## 1. PURPOSE

This Interagency Agreement (IAG) sets forth the terms and conditions for the reimbursement of the NTSB portion of funding for the Financial Management System FINASST) Version 3.0 (Payments Management and Receipts Management Module) Training. The total cost of the training shall be evenly split between the NTSB and CPSC.

## 2. AUTHORITY

This IAG between NTSB and CPSC is entered into pursuant to section 403 of the Government Management Reform Act of 1994 (GMRA), 31 U. S. C. 501 (Note), Pub. L. 103-356, 108 Stat. 3410, the Economy Act of 1932, as amended, 31 U.S.C. 1535 to 1536; and Section 27(g) of the Consumer Product Safety Act, as amended, 15 U.S.C. 2076(g). NTSB has determined the services to be provided pursuant to this IAG are in the best interest of the United States. Additionally, CPSC's contractor, ICF Consulting on 39A Schedule 70 (Contract No. GS-35F-4121D) use product has the capabilities and expertise to provide the services requested.

## 3. BACKGROUND

NTSB has replaced their Financial Management System software with (FINASST), a system developed by ICF Consulting. In order for the NTSB staff to better understand the FINASST Version 3.0, it has become imperative that NTSB take this course because major enhancements were made to the Receipts Management Module and major functionality was changed in the Payments Management Module. By completing this course, it will enable the NTSB staff to be more familiar with the new software product, learn more of the system's capabilities, and learn effective and efficient methods of entering, analyzing and retrieving data. In order to save NTSB funds, the

CPSC-IAG-00-1175

Project Officer negotiated with CPSC to pay one-half the cost and train five (5) employees. This will help develop a relationship with the other agencies using FINASST and reduce costs to NTSE by this joint arrangement.

#### 4. DESCRIPTION OF SERVICES

- a Pursuant to this IAG, CPSC's, Contractor, ICF Consulting shall develop and present a training course at NTSE's training facility. The class shall be three days (3) days for the Receipts Management Module and three days (3) days for the Payments Management Module, for total of ten (10) users NTSE and CPSC will provide five (5) students each. CPSC also provide up to three (3) observers. NTSE will provide up to 2 observers for each session
- b. FINASST Course of Instruction shall cover the following:
  - 1. Overview of changes as a result of Version 3.0
  - 2. Background Information
  - 3. Input information
  - 4. New/change table maintenance required for each of the modules
  - 5. Description of new queries available for each module and how to use them, including written documentation
  - 6. Description and instructions on how to make changes and correction of errors including both oral and written instructions.
  - 7. Description and instructions on how to generate any new reports.
  - 8. Answer all questions related to release 3.0. Students, through their project offices, may ask and receive answer to questions directly related to the classes within 30 calendar days after the last class. IF ICF Consulting cannot provide immediate answers to release 3.0 questions, official responses must be addressed in writing within 10 working days.
- c. CPSC's Contractor, ICF Consulting shall provide NTSE a minimum of one copy of the basic training software no less than ten (10) calendar days prior to the beginning of the class. NTSE will ensure that the training room and PCs are ready for the training
